Dear Parents,

This letter is to inform you of the setup and breakdown procedures for the Science Fair. Please follow the directions to ensure a smooth and efficient dropoff and pickup of Science Fair projects.

● Please set up your project on your child's grade-level table in the gym.

● Students please wear Science Fair T-shirts for school on March 1.

● Students can have partners but each student must sign up in order to receive their Science Fair T-shirt.

All projects MUST be taken home Friday, March 1, after the family visits at 7:15 pm or 8:00 pm depending on your grade time slot. There is no storage available, so please pick-up projects promptly. You can show your project at Super Science Saturday at the RHS: supersciencesaturday.org
