

SSA Thanksgiving Food Drive

November 13 – 17, 2023

It is time again for the Social Service Association of Ridgewood's annual Angele Ekert Memorial Thanksgiving Food Drive! For decades, Ridgewood residents have come together to help SSA help our neighbors in need at this special time of year.

This year, SSA will be collecting only shelf-stable Thanksgiving Day food items and Stop & Shop or ShopRite gift cards. We also will be holding smaller food drives throughout the year to keep our pantry shelves stocked.

Each Ridgewood school will be assigned to collect specific items to ensure that our donations are balanced and so that each family gets the makings of a full Thanksgiving dinner.

This year, TRAVELL SCHOOL will be collecting:

- **Broth**
- **Canned Vegetables**
- **Mashed Potato Mix**

Please send your donations to school with your child any day between Monday, November 13th and Friday, November 17th.

Volunteers from SSA will be picking up the pre-sorted items at 9:00 am on Monday, November 20th.

SSA is grateful for your participation and generosity and wishes you a very happy Thanksgiving!
