Cost

- \$200 for Mites 8U, \$300 for 10U, \$350 for 12U, \$380 for 14U
- Additional \$65 for Jerseys for new players or Jerseys for returning players

NOTES

- **REGISTRATION DEADLINE – 2/17/2023**
- Roster size for each team is limited and will initially be open to Ridgewood residents only
- One of our main goals for the Ridgewood Youth Ice Hockey spring league is for Ridgewood hockey players to play as one Ridgewood team, so that they can continue to have fun and build teamwork as they eventually grow into our Ridgewood High School ice hockey program. Given the wide range of clubs, ages and levels that our children play at, this is one of the very few opportunities for them to play with their Ridgewood peers.
- For the best experience for your child, ice hockey experience is **required** to join a team, especially since there will be no practices. Please consider joining one of the many local ice hockey clinics first, if you are new to ice hockey – <https://ridgewoodhockey.org/clinics>
- We never want a kid to miss out because of financial reason. If cost is a prohibitive factor, please let us know and we will immediately and discreetly handle that so that your child can play hockey with us.
