Finish in the top half at any regional tournament to compete at the National Championships in Washington, DC this June!

**Parents!** Your child can qualify for these Regional Tournaments by taking the **FREE Online Regional Qualifying Exam** for each subject.

- It takes just 20 minutes and you can proctor it for them as their sponsor.
- The top half of students on the Qualifying Exam qualify for the Regional Tournaments, which use buzzers in a quiz show style format.
- Students only compete against kids in their own grade level.
- We offer High School competitions in all three subjects as well!
- Visit [usa.iacompetitions.com](http://usa.iacompetitions.com) for details, registration and a full list of Elementary, Middle, and High School Tournaments.
