

Dear Travell Parents/Guardians:

Summer is almost here! Medications for students may **not** be stored at school over the summer. If your child has medication in the health office, kindly pick it up at the end of the day on the last day of school June 22th at 12:45pm or on the following day, June 23rd.

**Any medication not picked up for the summer will be discarded, including Epi-pens, inhalers or “as needed” medications.**

If you are unable to pick up your child’s medication during those times, please contact me prior to 6/22 to set up an appointment to do so.

Have a wonderful, safe and healthy summer and I look forward to seeing you again in the fall!
