

Dear Travell Families,

We're very excited to announce that the Travell HSA is once again supporting the One School, One Book initiative. The program will begin on Monday, January 23, with distribution of books to the youngest child in each family and a special video shown in homerooms. Our [One School, One Book website](#), where you will be able to post photographs of your family reading, will go live that day. The site will also list the reading schedule as well as videos of various teachers and staff reading chapters of the book.

As a culminating activity on February 17, the Travell HSA is sponsoring an interactive, science-themed assembly presented by *Talewise*. All grade levels will participate in this assembly. Thank you for supporting Travell, and for supporting literacy.

Let's get reading, Travell!

Sincerely,

Brian Ross
Principal
Travell Elementary School
