

Ridgewood Cambodia Project

Established 2007

Join the town-wide Elementary School Cambodia Club

The Ridgewood Cambodia Project is inviting students in grades 3-5, from all elementary schools in town, to join the Cambodia Club. Our introductory meeting will be on Monday, October 17th, from 5:30-6:30 at the Ridgewood Public Library. Parents are invited to attend this meeting as well.

The Cambodia Club has been part of Ridgewood schools since 2007. This year we're expanding our program to include students at all our elementary schools.

We'll have monthly meetings to learn about Cambodian culture, fundraise to support our schools, and connect with Cambodian students.

For more information on our club, please check out our Facebook page (Ridgewood Cambodia Project) or our website www.ridgewoodcambodiaproject.org

If you're interested in joining but cannot the meeting, or have additional questions, please reach out to Karen Feder at ridgewoodcambodia@gmail.com with any questions.
