CHILDREN'S AFTER-SCHOOL TREATMENT SERVICES (C.A.T.S.)

C.A.T.S. OVERVIEW

- ❖ A therapeutic after-school program designed to help improve the social skills of elementary and middle school-aged children.
- ❖ Includes play-based group therapy, art therapy, therapeutic recreational activities and family support services.
- ❖ Services are provided at no cost to participating families.
- ❖ Referrals are accepted from parents, schools, and other community agencies.

C.A.T.S. SERVICES

- ❖ Targets social, emotional, and developmental issues which impact each child's development and growth.
- ❖ Curriculum incorporates evidence based practice which helps children to develop empathy, gain greater impulse control, practice problem solving methods, as well as increase their frustration tolerance through anger management and relaxation training.
- ❖ Groups are held Mondays, Wednesdays, and Fridays during the academic school year.
- ❖ The Friday program will focus specifically on the autism spectrum disorder youth population.
- ❖ The program follows the Bergen County Special Services school district's holiday, vacation, and school closing schedules.

C.A.T.S. Groups take place at
321 East Ridgewood Ave., Paramus, NJ 07652

GETTING STARTED AT C.A.T.S.

- ❖ The first step of joining C.A.T.S. is a phone screening with the parent/caregiver to determine a child's ability to benefit from the C.A.T.S. program.
- ❖ If a child seems appropriate for the C.A.T.S. program, an intake interview is scheduled with the parent/caregiver. During this process, the therapist collects detailed information about the child and the family.
- ❖ To learn more about the C.A.T.S. program, or to schedule a time to speak with a C.A.T.S. clinician, please contact us at:
