

## Ridgewood Youth Ice Hockey Information

Hello Ridgewood families,

Ridgewood Youth Ice Hockey is working on a few events and programs for this winter and upcoming spring. (e.g. pizza party at Ridgewood high school games, info sessions, clinics, 3 vs 3 tournaments, spring league teams, etc.). Please look out for details that we'll announce once we have finalized our plans, but in the meantime, we would like to inform you of the following:

- **Info & Q&A virtual session** - especially for those who want their children to get started with hockey or looking for teams, clinics, lessons, or really for any information you would like to obtain. This will be a great opportunity for you to ask questions to our hockey coaches and parents. Details:
  - Tuesday, December 13 · 8:30 – 9:30pm
  - Google Meet joining info
  - Video call link: <https://meet.google.com/mgc-dkbn-phh>
- For the best experience for your child, **previous hockey experience is required to participate in our upcoming programs in the spring**. There are various great clinics that are offered (e.g. NY Rangers / NJ Devils Learn to Play, Ice Vault Atoms, Buds 4 Hockey, Learn to Skate, etc.) that you can start participating in Dec or Jan, so that your child can begin to develop the basic skills necessary to play the game. A list of programs is available at <https://ridgewoodhockey.org/clinics> and we encourage you to review and sign up for a program if your child is looking to start their exciting journey into hockey and want to participate in a Ridgewood spring program.
