

REGISTRATION OPEN!

Ridgewood Youth Ice Hockey Spring 2024

Please register in Community Pass at

https://register.communitypass.net/reg/cat_program_list.cfm?season_id=22966

Ridgewood Youth Ice Hockey will be entering teams for the Spring of 2024 (from late March / early April until end of June):

1. Squirts (10U) – Birth Years 2014 – 2015 (12 - 16 games / practices TBD)
2. Peewee (12U) – Birth Years 2012 – 2013 (12 - 16 games / practices TBD)
3. Bantam (14U non-checking) – Birth Years 2010 – 2011 (16 games / NO practices)

NOTE - there will be NO 8U team for this season. To continue your child's hockey development, please consider other opportunities this spring such as [Montclair State's Challenge Series](#), [Ice Vault's Atoms](#), [Ice House's 9U full ice house league](#), [Paramus Spartans](#), etc. where you can sign up individually and some programs will create teams based on skill level. We will re-evaluate having an 8U Ridgewood team in future seasons.

Cost

- \$325 for 10U, \$325 for 12U, \$380 for 14U
- Additional \$65 for Jerseys for new players or jersey orders for returning players. NOTE - 14U players participating in the Middle School Showcase do not require jersey purchase, since the showcase jerseys will be used.

NOTES

- **REGISTRATION DEADLINE – 2/17/2024**
- Roster size for each team is limited and will initially be open to Ridgewood residents only
- One of our main goals for the Ridgewood Youth Ice Hockey spring league is for Ridgewood hockey players to play as one Ridgewood team, so that they can continue to have fun and build teamwork as they eventually grow into our Ridgewood High School ice hockey program. Given the wide range of clubs, ages and levels that our children play at, this is one of the very few opportunities for them to play with their Ridgewood peers.
- For the best experience for your child, ice hockey experience is **required** to join a team, especially since there will be no practices. Please consider joining one of the many local ice hockey clinics first, if you are new to ice hockey – <https://ridgewoodhockey.org/clinics>
- We never want a kid to miss out because of financial reason. If cost is a prohibitive factor, please let us know and we will immediately and discreetly handle that so that your child can play hockey with us.

For more information about Ridgewood Ice Hockey, please visit <https://ridgewoodhockey.org/> and join our Facebook group <https://www.facebook.com/groups/ridgewoodhockey/>.
